

To stimulate appreciation, awareness, and understanding of our total environment, and to preserve a natural wildlife habitat.

Teen Summer Volunteer Program Registration

Do you want to help the environment and learn about working at a nature center? This summer we are organizing a weekly volunteer day for students aged 13 and up. Come spend Wednesdays working on our 30-acre property with other like-minded kids. We'll be doing a variety of projects: planting, weeding & mulching, clearing trails, cleaning the barn, cutting invasive vines, watering the saplings in our reforestation area, assisting with our new meadow project, feeding the animals, etc.

Name: _____ **Date of Birth (if under 18):** _____
