I am a special needs parent. I have very
special needs. I need you to be there for
me. I need you to be there for my
family. I need you not to pity my child. I
need you to teach your children
acceptance. I need you to listen when I
need to talk. I need you not to judge
me. I need you to understand why I
don't always call. I need you to be my
friend. I am a special needs parent. I
have special needs.
