

Dear Virginia Wineries and Vineyards,

We would like to extend an invitation for you to attend the **Virginia Wineries Association's Governor's Cup Gala** at the Richmond Marriott on **Thursday, February 23rd**, from 6-9pm. This will include the presentation of the **2012 Virginia Governor's Cup Award** as well as other industry awards, lovely Virginia wines and an abundance of delicious food.

As a sponsor of this event, the Virginia Wineries Association has an allotted number of tickets to distribute. It is a great opportunity for Virginia wineries to meet with legislators, media, restaurateurs, and retailers. We have a limited number of tickets available - which we will be distributing on a first come, first serve basis. We ask that you limit your request to two tickets per winery or vineyard.

The event will kick off with the Governor's Cup announcement promptly at 6:00pm. We recommend arriving no later than 5:45pm to check in.

If you would like to attend, please send an email to info@vawine.org. We will add your name to the guest list.

Please feel free to call if you have any questions.
