

Taking Civics? Interested in politics, law or public service? Want to know how to make a difference on community issues that matter to you?

YouthCivics

A Venture into Government

What? YouthCivics

Learn about government. See it in action. Check out the court system and participate in a mock trial. Learn where government gets money, and how budget decisions are made. Explore politics, careers and more!

Who? High school students

When? Register now!

Next Session: March-April 2012
One evening session per week

Where? Downtown Charlotte

(You'll receive a schedule and location info after you register)

Why? Learn about government and civics - see it in action!

Earn up to 15 community service hours, too

Register and learn more

Pre-registration is required. Space is limited!

Contact info@generationnation.org or 704-343-6999 with your name, school, email address and phone number. There is a one-time course fee of \$25 for course materials and dinner. Scholarships are available. You will receive course information and details about paying the fee after you register.
