FAIRMONT ANAHEIM HILLS CAMPUS

INTRODUCING FAIRMONT'S MOMMY & ME PROGRAM!

In response to demand by our Fairmont families and friends, we are pleased to introduce a new "Mommy and Me" program designed for our youngest learners and their parents!

Taught by Fairmont preschool teacher Ms. Fenne, Fairmont's Mommy and Me classes will blend academic fundamentals and child development with the fun and engagement that our littlest learners need. This program will give your child a head start and will prepare him/her for Fairmont's preschool program. The Mommy and Me program is open to moms and dads with children ages 18 months to 2.5 years.

Mommy and Me program sessions will be offered on a monthly basis with two program options and two available class times:
