WEDNESDAY, JANUARY 23 - MARCH 13

Course Time: 3:00-3:45 P.M. (K-2nd) ; 3:35-4:25 P.M. (3rd-8th)

This class is designed to encourage students to draw, paint, and create artwork that interests them. Subjects can vary from landscapes and animals to cars and portraits. Mrs. Gormin uses the basic elements and principles of design in her classes. Students can use their own "style" or they can learn from the Masters. Impressionism, Realism, Expressionism, and even cartooning are options. Students will have their choice of media: pencil, crayon, paint, soft pastel, oil pastel, or mixed media. Each student works at his or her own pace. Students will be encouraged to enter local, state, and national contests

Instructor: Mrs. Gormin | Grade Levels: K-8th | Course Fee: \$140.00

This course will help the students become well rounded in the fundamentals of digital photography. Emphasis will be placed on how cameras work, how composition works, how lighting works, and how to use photo editing software. Students will receive basic instruction, demonstration, and see samples of the desired outcomes, at the beginning of each period. They will be allowed to go outside and shoot assignments, based on what they are learning, followed by daily reviews of photos students have shot the previous day(s). At the end of this course, students will know:

- How to use various features of the camera to have creative control of photographs.
- What type of lighting to use in a given situation to produce optimal results.
- How photographic composition can make or break a photograph.
- How to use photo editing software to improve the overall appearance of images

Instructor: Señor Giustorobelo | Grade Levels: 6th-8th | Course Fee: \$160.00
