

kpb architects has been a part of the Anchorage community since 1981, and we are committed to investing in the area's children and Alaska's upcoming workforce. kpb is excited to announce our fall fundraising event to support **The Children's Lunchbox**. We are looking to community business leaders to partner with us in this inaugural fundraiser.

The **Children's Lunchbox** is a community-minded organization that provides food and assistance to children in need, enabling them to focus on school and leading healthy lifestyles. A staggering 18,000 children in Anchorage are living in poverty, according to an Anchorage School District income data survey. **The Children's Lunchbox's** ability to serve healthy food to Anchorage's at-risk children depends primarily on donations and volunteers.

With this information in hand, we wanted to create an event that stays true to **The Children's Lunchbox's** dedication to the children in Anchorage and honors the memory of our longtime friend, **Bean's Café** Executive Director Jim Crockett, while raising the necessary funds to allow the organization to continue its important work.

After much brainstorming, we are proud to announce that the **pupil+ paper** event will take place on November 9, 2013 at The Anchorage Museum at Rasmuson Center. The event will feature garments on display made from recycled paper created by Anchorage high school students. This is an opportunity for students with an interest in art and design to put their creativity to work while also competing for scholarships. In addition, a silent auction will be held featuring artist enhanced lunchboxes as well as donated items. All proceeds from the auction and ticket sales directly support **The Children's Lunchbox**.

We have some incredible opportunities for financial and in-kind sponsorships for the inaugural year of **pupil+ paper**. Sponsorships offer special benefits including free tickets to the event as well as recognition at the event itself.

The Children's Lunchbox is a 501(c)(3) nonprofit organization.

Please contact me to learn more about how you can become a sponsor for the **pupil + paper** event.

Sincerely,
kpb architects

If you are not able to make a financial contribution...
There are other ways in which you can support the success of pupil + paper!

As previously mentioned, we will be holding a silent auction as a component of this fundraiser. You can contribute by donating an auction item of your choice or by sponsoring a lunchbox auction item. The silent auction will feature metal lunchboxes enhanced by local artists.

There will be an added surprise inside each lunchbox: a vacation package, gift card or any number of other donated items.

Please consider donating an item for the silent auction.
