

Blue Devil Nation

Fall sports are winding down and our teams are either participating or getting ready to participate in the sectional portion of the state tournament. As noted earlier, our girls' golf team competed in the Southport sectional gaining valuable experience for the future. We are very young, expect improved things from our golfers as they mature, and gain experience.

Our boys' soccer team is participating in the Ritter Sectional. On Monday night, they got off to a great start by defeating rival Crispus Attucks in what was a very well played game by both teams in a downpour during the first half. The second half the rain stopped and the Blue Devils controlled the action throughout. The final score was 1-0. The team takes on The International School of Indiana in a second round match on Wednesday, 10/3/12 at 7 p.m. admission is \$6. Good Luck Soccer Team!!!

The girls' volleyball team will host a tournament on Saturday October 6, 2012 as a tune up for their sectional coming up later in October. The tournament begins play at 11 a.m. and should conclude by about 5 p.m. Admission will be \$5 for the day. Jasmine Batts was named to the PAAC All-Conference Team for her performance in the conference tournament. The team followed that up by competing well in the City Tournament at Heritage Christian. The Lady Blue Devils won their first-round match by defeating Northwest 3 games to 0 games, played Heritage Christian tough in a losing cause, but displayed mental toughness, and improved play throughout the match. Heritage had to work hard to defeat the Blue Devils. Coaches Freeman and Boyd are developing a very competitive program. Keep it up Blue Devils.

Football had a great weekend game vs. Arlington. The team completely dominated the Golden Knights earning a 29-6 victory. Coach Moorman and his staff are doing great things with our team to bring them along as we move toward a full varsity schedule in 2014. The team did a great job of showing poise and discipline throughout the game, both traits of a good team. The team's record is currently 4-3. The Blue Devils travel to Washington on Friday night to take on the Continentals in a match up of first-year programs. Game time is 7 p.m.

Middle school sports are also in high gear. Our cross-country team is competing well. They ran at the Doe Creek Middle School Invitational on 10/1 and did quite well.

Our girl's middle school volleyball program is showing lots of improvement. Many of our girls had never played volleyball before coming out for the team this season. Mrs. McClendon is doing a good job in getting the girls to develop the fundamental skills needed to advance in the sport. Great job girls!!!

The middle school soccer team suffered its only loss this season on 10/2/12, a 3-4 defeat to Liberty Christian. They will conclude their season at St. Richard's today 10/3/12. Their current record is 6-1. Go Blue Devils!!!
