

# RACE FOR PEACE

Race For Peace is a community event sponsored by Agape Community Center to promote peace within our communities. It is an opportunity for youth to take a leadership role and be a strong voice in calling for an end to violence in Milwaukee. It is also an opportunity for adult community members to support the voice of

youth. Be on the start line and help our youth build a message of peace and hope.

Youth from youth serving agencies

across the City will be encouraged to build soap box cars representing their own communities. Each car will be decorated with a message that promotes peace and an end to violence, crime and drugs. The cornerstone of this family event will be the soap box races. It will also be an opportunity to spend a day in the park with family and friends.
