

Archway School Volunteer Parent Hours

Parent Name: _____

Child Name/Grade: _____ Total hours worked: _____

All families are asked to contribute 30 hours/year of parent volunteer hours to Archway School (15 hours for single parent households), 10 of which must go toward fundraising. It is the responsibility of the parents to keep track of their hours as they are used and to turn them in to the Angela or Kym. (Some parents have found it helpful to use this form). Families will be billed \$15/hour in July for any hours not accounted for.
