"The Pursuit of Excellence provided me with practical, powerful concepts and tools to create balance in my life, enhance my relationships, support me in team building, and encouraged me to take steps to be successful in my personal life and professional career." **Jason Scherr**, President of the Chamber of Commerce & Manager of Environmental Sustainability; Prince Rupert Port Authority

"The Excellence Series helped me to raise my game, to learn from my peers, to be as effective in the workplace as I am on the home front. The experience led me to what's important in my life." **John Farrell**, General Manager; Community Futures Pacific Northwest

"The Pursuit of Excellence provided many very practical tools that helped me improve my personal and professional relationships. With improved relationships I created fantastic results in my life." **Rod Fowler**, Registered Forestry Tech

"The Excellence Series has helped me get clear on what is important to me and to go after what I have said I have always wanted but wasn't courageous enough to do and that is to serve in a political arena." **Jennifer Rice**, Prince Rupert City Councillor; Elected 2011
