## Pope Benedict calls the youth to leave a LEGACY filled with the Holy Spirit.

*In Sydney Australia on July 20, 2008 at the World Youth Day celebration, Pope Benedict XVI challenged the youth to bring about a "new age" for humanity by being open to the power of the Holy Spirit and to think about the LEGACY that they will leave for future generations.*

*The Holy Father asked, "What will you leave to the next generation? Are you building your lives on firm foundations, building something that will endure?"*

*"Are you living your lives in a way that opens up space for the Spirit in the midst of a world that wants to forget God, or even rejects him in the name of a falsely-conceived freedom?"*

*"How are you using the gifts you have been given, the 'power' which the Holy Spirit is even now prepared to release within you? What LEGACY will you leave to young people yet to come? What difference will you make?"*

Camp Legacy will give our young people the opportunities and experiences to enable them to rise to these challenges, to enhance their own legacy, and solidify the foundations upon which their lives will be built.

**.....and it's a lot of fun, too!!**
