

Come join Oak Knoll's **AFTER SCHOOL PROGRAM!**

Fall session - Sept 16th 2013 - Dec 13th 2013

Winter session - Jan 13th 2014 – April 11th 2014

Spring Session - April 21st 2014 – June 6th 2014

There are no after school classes on holidays and minimum days.

Classes are held right at Oak Knoll.

Details and the complete schedule, is posted under After School Programs on the Oak Knoll website.

Sign-up soon! Enrollment is limited in many programs.

Fall class additions:

- **Starfire Math** - problem solving and critical thinking activities, and learning techniques to manipulate numbers in their head to solve problems without the need for a calculator.
- **Bulldog Sports & Fitness** – Athletes will be introduced to speed and agility drills, as well as basic resistance training principles and techniques. Also a flag football class with an emphasis on teamwork, sportsmanship, and fun.
- **Public Speaking** – Fun and engaging way to learn public speaking skills
- **Programming with Scratch** – Learn to program in Scratch which is the “lego” of programming languages created at MIT. Fun and easy to learn.

Continued Class Favorites:

Wizbots, Designkidz, Madscience, Animation Studio, Basketball, Soccer, Dance, Engineering, Creative Writing, Choir, Chess, Hi-5 Sports, TGA Golf, Yoga, Play in a Box, Art, Engineering with Legos, Flag Football, Lacrosse, Mandarin, Spanish, Tennis, Video Game Design.
