

Noteworthy Art

An Oak Knoll PTO Fundraiser

Blooming Magic

Jillian

As part of Noteworthy Art, your child's artwork will be turned into beautiful, individualized notecards which then may be purchased in packets just in time for the holiday season. Your child will be drawing their artwork in class in September, orders will be taken in October and delivery will occur before the winter break. Their drawings will be reproduced on high quality note cards and packaged with envelopes in sets of 12.

The children enjoy this annual fundraiser and all of the proceeds go directly to the Oak Knoll PTO. These cards, which are unique drawings made by your child, can be used as:

- Great gifts for friends and family
- Personal thank you cards for you and your children
- Easy gift enclosures
