Do you have disability or experience with services such as mental health, addiction, foster care or juvenile justice?

If you answered yes then we want to hear your story.

Speak-up, Speak-out! Help us to make positive changes in service systems.

We want to hear from young people ages 13-28 on what helped and what harmed. With your help we can push for change because who knows what's best for you other than you!

Do you have a talent you would like to share? If so come prepared to **rock the house**. It can be a piece of art work, poetry, song, etc.

There will also be Free Food and Giveaways!!!

All attendees must register! Please complete the registration forms and send them in by June 12, 2013.

For more info or to register please feel free to contact me via email/phone at jhollins@youthpowerny.org or 585-314-2452

I understand that part of the YP! experience involves empowerment activities that may be new to the young person. These things come with certain risks and uncertainties beyond what the young person may be used to dealing with at home. I am aware of these risks, and I am assuming them on behalf of this young person. I realize that no environment is risk free and so I have instructed the young person on the importance of abiding by the YP! Code of Conduct. The young person and I both agree that he or she is familiar with these rules and will obey them. We understand that the young person must be willing to attend the event and that YP! will not make exceptions or tolerate force. We further understand that violation of the code and our force policy could include immediate expulsion from the event, at the expense of the parent or guardian.
