

# Free Classes

## June 19<sup>th</sup> from 12-2pm

**The Home Depot** has partnered with the Hispanic Metropolitan Chamber of Commerce to offer **Free Classes** that will count as credit toward **Contractor Continuing Education** in the State of Oregon. **Classes will be offered in English with Spanish Translations.** All classes will be taught by experts in their field and vendor supported. Classes will also include hands on applications. This is a great way to fulfill your elective requirements for your Continuing Education requirements with the Construction Contractors Board, and it is **FREE**.
