

We're not sure that we captured the entire chat room conversation, but we will be more diligent in the future to get it and perhaps put it in different color highlights so you can follow.

We felt it was advantageous for you to have this in case you asked a question and someone gave an answer...then you would have it in writing! Hope it blesses you!

worshipwarrior ban: Everyone goes to commercials at different times.

gwensmom ban: visions while awake. more clear with what I am seeing.

not seeing like a picture, but more fuzzy for a way to say it. I can't

seem to always see all the details and remember what I saw.?

dreamology mod: Livestream will let you watch the commercials ahead of

time so I would recommend logging into the show a few minutes before

the show and "view" as many commercials as you can bear.

dreamology mod: For every 30 second commercial you watch I believe you

get an additional 15 minutes before the next commercial.

kwh2011 ban: I get a 2 second commercial every 23 seconds

dreamology mod: Sorry for the inconvenience but that's the way livestream works. Hope this helps. Thanks for your patience and support!

worshipwarrior ban: Gwensmom, are your dreams very clear?

gwensmom ban: yes, dreams are clear.

dreamology mod: There should be an option where you can choose to view

commercials less often.

goldgirl ban: R U required to watch a certain number of commercials?

How many per hour of watching?

kwh2011 ban: where's the option

gwensmom ban: visions on the screen of my mind.

dreamology mod: I believe for every 30 second commercial you watch you

have 15 minutes of commercial free time.

dreamology mod: so watch 4 commercials to have $15 \times 4 = 1$ hr of commercial free viewing as I understand it.

dreamology mod: 15 minutes x 4 commercials = 1 hr of commercial free livestream

kellyffowler ban: bruce gets to be God

ginGin ban: playing God

goldgirl ban: Playing God gets complicated
kwh2011 ban: What's it like to be God
Flyer ban: Being God
worshipwarrior ban: Need to use a darker marker if possible
imsent ban: Obedience to God
kellyffowler ban: Oh yeah...when I get my own universe then I can be in charge
dreamglider ban: mans to small to be Gog
dreamglider ban: God ops
kellyffowler ban: How about the Lion the witch and the wardrobe....
imsent ban: Can anyone be a dream interpreter or is this a gift?
goldgirl ban: How long is dreamology on tonight; can we watch ads at
end? I clicked on now but it did not show ad
dreamology mod: We plan to go until 9.
shelanak ban: getting a bad echo again
dreamology mod: I don't think you can watch ads at the end.
dreamology mod: try turning your volume on your computer down
dreamology mod: or listen with headphones
Morgan ban: if car rarely means ministry...what does it mean
worshipwarrior ban: I had a dream several weeks ago where my daddy
told me to walk to Burger King and get a ticket for the train. I
kwh2011 ban: Morgan a car can mean a person's life
imsent ban: I get an echo when my computer volume is too low and I put
my speaker on high. Try switching the volume around. Computer on
high and speakers on low.
worshipwarrior ban: Isn't there always scripture that pertains to your dreams?
kellyffowler ban: Cany anyone be a dream interperter or is it a gift?
kellyffowler ban: good question imsent
kellyffowler ban: Morgan had a good question too....what else could a car mean?
Morgan ban: i know it can mean ministry, and it can mean car...are
there other things?
worshipwarrior ban: I think that's the key, Teresa. Knowing your gifting.
shelanak ban: I have messed with the volume but it didn't help. I am
getting a two second echo.
dreamology mod: are you wearing a headset?

shelanak ban: no
kellyffowler ban: :) That was imsent's question
dreamology mod: try headphones and that may help though i'm not certain
imsent ban: Thank you for clarification because I am an intercessor
and I dream every night. Sometimes I just don't know how to interpret them.
kellyffowler ban: what else could a car represent Morgan asked
shelanak ban: put my head phones one. It didn't help.:(
Morgan ban: theresa--what else besides ministry and your life-- can a car mean
worshipwarrior ban: Not sure how others are set up. I'm using my wireless laptop and my husband is using the desktop. The desktop is much clearer and the sound is much better.
ginGin ban: I try to write down my dreams..but some "fly" away as fast as I awake..what can I do to do better, beside pray?
Morgan ban: how about a red sportscar with 5 other people
goldgirl ban: I am still not seeing an ad when I click now, where R U to click to see or hear the ads; what happens if you dont see enough ads?
worshipwarrior ban: ginGin, I ponder my dreams and that will often bring them back. however, if the alarm goes off it acts as a delete key.
Morgan ban: it's a red sportscar with 5 other people
kellyffowler ban: What about a RED SPORTS CAR WITH 5 PEOPLE.
shelanak ban: It was doing great until about 10 min. ago then the echo started. I am not going to be able to stay on with this happening.
worshipwarrior ban: driving my husbands red super up mustang.
ginGin ban: ponder is one thing, but if there is nothing to ponder???in other words, if you can't remember to even ponder??
kellyffowler ban: Gin Gin...try to use the alarm on your cell phone set on vibrate that will help
Morgan ban: thank you kelly
kellyffowler ban: sure
dreamology mod: You should be able to see the option to view the

ads
in the top or bottom corner.
worshipwarrior ban: Yeah, God!!!!
kellyffowler ban: I try to write down my dreams..but some "fly"
away
as fast as I awake..what can I do to do better, beside pray?
Morgan ban: no sound problems
gwensmom ban: yes, sound is better
ginGin ban: kelly, without an alarm..which I rarely use,
sometimes
when I awake, the dream is gone. I do try to think hard, and pray,
but
i can't remember it..just sometimes...many I do remember.
dreamglider ban: yes
kwh2011 ban: yes it is
Flyer ban: Yes
kellyffowler ban: GIN GIN Asked the above question
imsent ban: It sounds better
worshipwarrior ban: No, I think the sound problem has to do with
the
computer they're using. YES, moving the speaker made it more
clear.
ginGin ban: tks Kelly
dreamology mod: is the echo better now?
shelanak ban: no
gwensmom ban: no echo
kellyffowler ban: Gin Gin...I believe that if I cannot remember a
dream it was for my spirit man and not for me to have to deal
with
shelanak ban: sorry, no the echo is not better.
goldgirl ban: R U to choose what category of ad or what.. I dont
see
place to view ad in corner; dont want to be charged 4 watching...
kellyffowler ban: we work many things out in our sleep spirit to
Holy Spirit
worshipwarrior ban: I agree, Kelly.
kellyffowler ban: No Charge for watching
kwh2011 ban: Sometimes God seals our dreams
ginGin ban: makes sense
kellyffowler ban: no worries Gin Gin
worshipwarrior ban: That's it...HE does seal our dreams. that's
HIS
mercy for us.
kellyffowler ban: yes khw2011 so true
warriorangel7 ban: I tend to have "epic" dreams, with many scene
changes. Several have been prophetic, with Scriptures even in the

dreams. How do you get the interp with so many scenes?
ginGin ban: I have great dreams.\, but somestimes it's disheartening
when I don't know...will accept your answer...sounds right
kellyffowler ban: Warriorangel...ask the Lord to highlight the most
important things for you to pay attention....be easy on yourself and
know the Lord will help you
goldgirl ban: sound is good now but where do you see the ads?
Allenses ban: I couldn't be here for the first section, will this be
available for viewing later?
shelanak ban: I am now not hearing the echo.
kellyffowler ban: yay
worshipwarrior ban: warriorangel17, it's possible that they are pretaining to the same thing. Also, I think of them as chapters.
Courtney ban: It will be archived
worshipwarrior ban: Or scenes.
Courtney ban: Anyone know what it means to dream about a furniture store?
kellyffowler ban: yes...Joseph had two different scenes the meant the same thing
dreamglider ban: what were you doing in the store
Courtney ban: dreamglider.... friends of mine owned it
worshipwarrior ban: I just studied Joseph dream... according to scripture, two meant it was going to happen really soon
thelordsrose ban: Thank You Theresa this is amazing
kwh2011 ban: True
kellyffowler ban: Yes 2 is a witness and that is true
worshipwarrior
dreamology mod: I can't leave the website to look where to view the
ads are for sure since we are livestreaming from this computer. I will
have to check after the show to know for sure.
worshipwarrior ban: Courtney, it was your friends furniture store, but
what were you doing in the dream... stay in the dream
dreamglider ban: courtney-were you active in the store
warriorangel17 ban: 1Cor. 2:14
Courtney ban: Dreamglider...No I was not we just drove up to it to pick them up
Courtney ban: and then i kept dreaminga about an old house that has
been turned into a antique store and the 2nd time I dreamed it te

lady

that owend it gave me a tour and she pointed to this bedroom that wasn't

Courtney ban: set up for business and said this is baileys room and it

was full of puzzles that had been complete

dreamglider ban: courtney-who is bailey

worshipwarrior ban: Courtney, bedroom could be the room of intimacy

worshipwarrior ban: courtney, or bed could mean rest

Courtney ban: Dreamglider...I have no clue, but the antique store was

seperate from the furniture store

kellyffowler ban: old house could represent the church or a family,

antiques can be an inheratace

worshipwarrior ban: courtney, give us a title

Courtney ban: kelly...that is very interesting..I am just 15 so I am

new to all of this but I dream every night

Courtney ban: worshipwarrior.... ??

kellyffowler ban: cool....I am not sure what a furniture store might

represent...but a title would help

worshipwarrior ban: Courtney, if you titled your dream, what would it be

kwh2011 ban: Furniture is what we have in our house

Courtney ban: o Lord that's a hard quesiton...

kellyffowler ban: That dream gem book she is talking about is amazing....you can order it on Amazon

shelanak ban: Courtney.... Could be that God is going to furnish you

with information from your past, family... to complete the puzzles.

kwh2011 ban: Our house is us

worshipwarrior ban: I know, it's hard but think of the action in the

dream. That is a key.

imsent ban: I thank you for sharing this teaching. God bless you!

kwh2011 ban: What do you have in you?

Courtney ban: worship warrior.. like one word?

kwh2011 ban: Table means communion

ginGin ban: Great first class Teresea..thanks for taking the time and

being obedient to Papa..goodnight all..Go with God.

worshipwarrior ban: Try a few words... keep it simple
kellyffowler ban: Bye Gin!
worshipwarrior ban: Bye Gin!!!!
Flyer ban: Great Job Teresa, I can't wait until next time!
kellyffowler ban: Great Job!!!
worshipwarrior ban: Courtney, think of the actions and emotions when
you were in the dream.
Courtney ban: worshipwarrior...return home?
kellyffowler ban: wow great titl
kellyffowler ban: title
goldgirl ban: courtney - generational issues
kwh2011 ban: Great Teresa
Morgan ban: oh my...that'll be great Theresa
Courtney ban: well basically... a friend of mine has a son who moved
to okc and is from Sc and he doesn't come home often and he gets married in august and so he and his fiance owned the store in SC where
they are
kellyffowler ban: return home could be referring to family situations
that are keeping you from staying close to God or your family
Courtney ban: ok
warriorangel7 ban: Here's a quick one: I am in a room with no floors,
ceiling, walls.....I see huge numbers 555 to my side, hear a trumpet
and a loud voice say: Be prepared to be anointed for war" Phone rings
I wake up!
gwensmom ban: thanks for sharing
goldgirl ban: This was great
Morgan ban: Thank you, Theresa
kellyffowler ban: WOW...great dream
worshipwarrior ban: Courtney, I'm agreeing with Kelly... Good word!
