Dear FCPS parents, teachers, students and other community members,

You are cordially invited to attend the McLean Citizens Association's **Conversation on Education** on Monday, April 8 from 7:30 PM – 9:30 PM at McLean High School, 1633 Davidson Road, McLean, VA 22101.

**This is an important meeting in McLean to learn what our school leaders and elected officials are thinking about:**

- **School policy issues of concern to McLean families, including class size, high school start times, and discipline and safety issues;**
- **The implications of the Advertised School budget for McLean;**
- **How to reconcile the County Executive's recommendation for a 2% increase in FCPS local funding and the FCPS request for a 5.7% increase with the overall County budget;**
- **The implications of the Fairfax County Strategic Facilities Plan for McLean families and how the County and School Board can work together to resolve some of the issues that have been raised; and**
- **Proposals for an independent audit capability for the School Board, to mirror the Supervisors' Audit Committee and Office of Financial and Program Audit.**

Opening remarks by Cluster I Assistant Superintendent Marty Smith, School Board member Jane Strauss, and Supervisor John Foust will be followed by an extended question and answer period during which you will have the opportunity to ask **your** questions.

**Please invite your neighbors and friends to join us for this free public meeting sponsored by the McLean Citizens Association.**

Sincerely,

Sally K. Horn  
President
