

DELAWARE COALITION AGAINST DOMESTIC VIOLENCE

Breaking the cycle of violence.

DCADV's 3rd Annual LEAP Advocacy Day

DCADV's 3rd Annual LEAP Advocacy Day was held on April 5, 2011. The goal of LEAP (LEgislative Advocacy Project) is to assist DCADV in its effort to advance the safety of domestic violence victims/survivors and their children through effective legislative advocacy. The LEAP effort, often referred to as the phone/e-mail tree, engages volunteers in Delaware who support the work to end domestic violence.

Advocacy Day is an opportunity for the LEAP volunteers to tour Legislative Hall, review proposed legislation, observe session and speak with members of the General Assembly. This year we were also fortunate to attend the Governor's proclamation signing of National Sexual Assault Awareness Month! Anyone interested in being involved in LEAP, please contact **Sara Mersch, DCADV Policy & Economic Justice Specialist** at smersch@dcadv.org
