

Thank you for taking time out to participate in the survey on the IPFW Onsite Clinic. We truly value the information that you provided along with over 100 positive comments and suggestions on how the Clinic can work better for you. As IPFW prepares to take over the management of the clinic on June 1, 2013, we are referring to the survey to incorporate the suggestions so that we can provide the services that are important to you.

We know that convenience and the quality of care received motivated most of the visits to the clinic and we want to ensure that there will be the same level of care provided by conscientious and knowledgeable Nurse Practitioners. The Clinic will accept most major insurance including CIGNA, Sagamore, Anthem and Medicaid; consequently you will see significant improvement with insurance billing.

As the clinic transforms over the next several months, please continue to provide any insight or suggestions that you feel would be beneficial in the success of the IPFW Center for Healthy Living.

Your responses are vital in helping IPFW to provide a clinic that meets the highest standards of excellence and meet the needs of the students, faculty and staff.

For more information please refer to the clinic webpage at [new.ipfw.edu/clinic](http://new.ipfw.edu/clinic) or call the clinic at 481-5748.
