Visiting the Discovery Center

I may visit the
Children's
Discovery Center.

I will see the
front door.

The Discovery Center
rug is on the floor.

I will see a small store. I do not play with these things.

I will see a machine on the wall. I can pull the big stick.

The gears are big and little circles.
They will go round and round. I can
watch.

**The machine makes clicking noises.
This is a safe sound.**
