National Council of Teachers of English
(ALAN)
2013 Workshop Break-out Session Proposal Form
25 & 26 November 2013
Boston, Massachusetts**

The theme for the 2013 ALAN workshop is **“40 Years of ALAN: Celebrating Great Books for Young Adults”**-- Presenters are encouraged to revisit time-honored classics of young adult literature as well as “future” classics. Books that deal with hard truths and books that deal with fantastical worlds are welcomed as well as provocative discussions about the authors who write them, the librarians who nurture them, the teachers who teach them and the students who read them. This workshop will be a celebration of the emergence of young adult literature – both fiction and non-fiction - as a driving historical, sociological, literary and contemporary force in today’s culture.
