

**NARI of Greater Chicagoland Introduces our
NEW Web site Program!!
*When is the last time you got MORE for less \$?***

NARIGC is jumping ahead in the land of technology! We will no longer be publishing a printed membership directory due to increasing costs and decreasing demand for a printed version of our membership. How are people searching for services, such as remodeling? The answer is right on our desktops and pockets: consumers are using the web and their smart phones to find what they need.

We are re-tooling our current website and have added a MOBILE website that is optimized for use on any smartphone.

All NARIGC members receive a free “white page” listing on the website which includes company name, phone number, and address, but it is NOT searchable by zip code (other than your company address’ zip code or any category).

HERE’S WHERE THE “MORE FOR LESS \$” COMES IN!! *We have lowered the price of the expanded listing to \$185 per year which includes a 25-word description of your company, your company logo, email address link, website link, a link from all NARIGC award winning projects to your listing, and THREE categories and fifteen zip codes to be searched by!!!!* You can also purchase categories (in addition to your three free) for \$15 each. This package used to cost \$205 per year and included only one category!

If you do not wish to participate in the expanded listing program, but want to be listed under specific categories, you may purchase search categories for \$15 each.

To participate in this program, please complete the enclosed form, email your company logo and return to:
