

Thank you for supporting the International Festival and our multicultural communities!!!

With your help the festival will be able to provide free access for underprivileged kids, welcome more cultures, and keep admission affordable for all.

Help the effort by:

- registering to walk with us and be sponsored
- sponsoring your own fundraising page or a page for your group
- sharing information about the race and our cause with your contacts and community

Please contact Barbara Muffoletto at intlfocus@gmail.com or 919-782-0552 to register or to receive a support appeal to send or post to your circle.

We'll see you at the Great Human Race!!
