

The U.S. Committee for Refugees and Immigrants (USCRI) North Carolina field office is looking for groups that want to serve others through the **Welcome Home Project!** Since 2007, USCRI NC has helped refugees from Burma, Burundi, Eritrea, Cuba, Vietnam, Somalia, Bhutan, and Iraq and more as they reconstruct their lives in the US. Many of them have suffered great hardship and long waits before they finally arrive here. Join us in welcoming refugees to the Triangle area, by volunteering!

Welcome Home volunteers secure furniture and household goods and then set up a home for newly arriving refugees who are arriving without household essentials.

Setting up their apartment means that we can be on hand to welcome them into their first American home and give them hope for a brighter future.

USCRI NC, holds volunteer orientations on the first Wednesday of each month. Here, volunteers can learn about more about the Welcome Home Project as well as other volunteer opportunities available through USCRI NC. Upcoming orientation sessions are scheduled for the following dates:

- Wednesday, April 3rd at 5:00 p.m.
- Wednesday, May 1st at 5:00 p.m.

Sessions generally run about 1.5 hours and are held in our office at 3801 Lake Boone Trail, Suite 200, Raleigh NC 27607. Please contact [rrolfe@uscrinc.org](mailto:rrolfe@uscrinc.org) if you have any questions about orientation or Welcome Home! You can also check out our website at [www.refugeesnc.org](http://www.refugeesnc.org) to learn more.
