- NEED TEAM NAME
- Follow instructions and fill in information
- Import personal photo for your personal page
- Add contacts in address book
- Click email for message templates
- Edit if you want to personalize (be sure and save)

Joining a Team

- *Click on "sign up here"
- Click on join a team
- Select the team
- Set up your personal page

Donating to a Team

- Select Team

What is the Relay for Life?

•The Relay is held at the Skyview Jr. High track and consists of teams of people who take turns walking or running around the track.

• Each team is asked to keep a member of their team on the track at all times. Teams set-up tents that members use during the event for breaks and sleeping between laps.

• The Relay site has vendors providing food, beverages, massages, and other Relay related items. All proceeds from the vendors go to the American Cancer Society.

•After opening ceremonies, the Survivor's Lap starts off the event, and then all teams are asked to take the track. During the Relay hours, there is music, live entertainment and contests spaced throughout the evening.

•At 10:00 pm on June 1st the luminaries are lit and all participants walk the track in silence remembering those who have succumbed to cancer and in honor to those who are survivors.

The Relay for Life is a chance to celebrate the lives of people who have battled cancer, remember loved ones lost and fight back against the disease.

June 1st & 2nd, 2013

Relay For Life of Northshore

TEAM CAPTAIN JOB DESCRIPTION

STEP ONE: Recruit 10-15 team members and perhaps even a co-captain to help you. Recruiting efforts can include making a presentation at your company, organization, or church and/or asking friends and family to get involved!

STEP TWO: Work with your team members to develop fundraising goals. Set a team fundraising goal first, and then break it down into individual goals. Teams typically raise $1,500 - $3,000.

STEP THREE: Now you've got your goals...how will you raise the money? Work with your team members to decide. Will you have a letter writing campaign? Ask co-workers / friends / family? Have a bake sale, an auction, a car wash? Be creative! More tips are in your team packet.

STEP FOUR: Choose a Creative Team Name and Register your team on-line and then have each team member register on-line. Registration fee is $10 per team member and goes towards your fundraising goal.

STEP FIVE: Attend monthly Team Meetings to learn more about Relay For Life, the American Cancer Society, and to meet other volunteers like yourself. One hour meetings will be held every 2nd Wednesday of the Month in the Skyview Junior High cafeteria.

STEP SIX: Hold Team Fundraising Meetings. Schedule your team members for their walking shifts!

STEP SEVEN: Make plans to decorate your tent site and even yourselves according to the theme and lap themes. Awards can be won for the team with the most spirit!!

STEP EIGHT: Check in periodically with your team members to see how their fundraising efforts are going...remember, the individual and the team raising the most money will win cool prizes!

STEP NINE: Come to the event and have loads of fun, fun, fun!

Our goal this year –80 Teams who together raise $200,000
