

All services delivered at the East Arlington Family Support Center are designed to promote:

- Healthy development and appropriate health care for children
- Positive child development through effective parenting, early intervention and outreach
- Economic self-sufficiency for families through adult education, training and employment
- Preservation of the family unit as the foundation of success for children
- Seamless, comprehensive and accessible network of services for families

**YOUR CIRCLE
OF SUPPORT.**

The East Arlington Family Support Center is a community-based collaboration to ensure the healthy growth and development of young children by supporting their families and the communities in which they live.

WHO CAN PARTICIPATE IN THE EAST ARLINGTON FAMILY SUPPORT CENTER?

There are no requirements to participate in the East Arlington Family Support Center. We offer programs from many different local agencies, and we will help families and individuals identify which programs they are eligible for.

WHAT TYPES OF SERVICES ARE AVAILABLE THROUGH THE EAST ARLINGTON FAMILY SUPPORT CENTER?

The Family Support Center offers the following services to families and individuals:

- Child, Youth and Teen Services
- Educational Services
 - Community Presentations
 - English as a Second Language
 - Family Health Workshops
 - Parenting Skills Classes
- Family Fun Events
- Information, Referral and Advocacy
- Intensive Case Management
- Parent Leadership Development
- Support Groups
- Support for Health Insurance and Medical Services

The East Arlington Family Support Center reflects a collaboration between parents, providers, community leaders, and the lead agency, ACH Child and Family Services. These groups determine which services are provided each month.
