

Our club is holding a CMP clinic on August 10, 2013 that fulfills the training requirement to purchase M1 Garands, M1 Carbines, 1903 Springfields, and various .22 target rifles, parts, accessories, and ammunition directly from the CMP, as they are available, and is presented by certified CMP instructors.

The CMP currently has various M1 Garands and .22 rifles available for purchase. See their website for more information. www.odcmp.com/sales.htm

When time allows, we also briefly cover the AR15 and M1 Carbine. Active high power competitors who attend may also qualify to purchase match-grade Rock River AR15's discounted through our program, when available.

The clinic is open to the public, focuses on the M1 Garand, includes books and other handouts, ammunition, lunch, certificate, extensive indoor orientation, live-fire training on a 100 yard range with covered firing points, and the use of M1 rifles. Doors open at 7:00, and class begins at 8:00.

**Cost is \$90 for club members
And \$105 for non-club members.**

**To pre-register, make checks payable to
Baltimore County Game & Fish Protective Association
and mail to:**

**Joe Crivello
2507 Burgundy Drive
Fallston, MD 21047**
