

Don't miss the GreenFleet event of the year!

**CAMP SEA GULL
CAMP SEAFARER**

Great GreenFleet Family Fun Weekend and Regatta

GreenFleet Opti sailing is all about having fun while learning. This weekend promises both for the entire family. Clinics for mom and dad, activities for siblings, campfires, 300 ft. zipline, canoeing, tennis, golf, ropeswing, blob, and lots of coached GreenFleet racing!

October 7 – 9, 2011

Expert coaching staff headed by GreenFleet guru, Tom Coleman. Tom has run the GreenFleet at 15 National Championships as well as dozens of regional championships and JOSFs. In 2004, he was chosen as the Development Coach of the Year for Sailing by the US Olympic Committee. He is employed by McLaughlin Boat Works, US builder of the Optimist and sponsor of this event.

Camp Sea Gull for boys and Camp Seafarer for girls, branches of the YMCA of the Triangle, are located in Arapahoe, N.C., on a five-mile-wide stretch of open water on the Neuse River. Our unique coastal location provides more than 3,000 feet of shoreline to support our comprehensive seamanship program, extensive fleet of boats, and traditional camp activities. Families will find this the most perfect venue for hosting regattas, clinics and water-oriented activities.

Host site of the 2012 USODA Southeast Championship
