# MEDTOX<sup>®</sup>

CRIMINAL JUSTICE & REHABILITATION SERVICE

# THE RIGHT TEST. THE RIGHT PRICE.

Don't waste valuable testing dollars on high cut-off testing that does not produce the best results. MEDTOX offers a smarter solution — the lowest cut-off levels in the industry. No missed positives. Easy-to-use devices. Clear results. We also offer device panel options, including Oxycodone, Methamphetamine and Buprenorphine. Our testing devices save you time and money, and our exceptional customer service and technical support give you the information and support you need every step of the way.

## FULL-SERVICE LABORATORY

- Federally certified, SAMHSA lab since 1988

- Laboratory testing includes expanded confirmations by GCMS and Q-Trap technologies

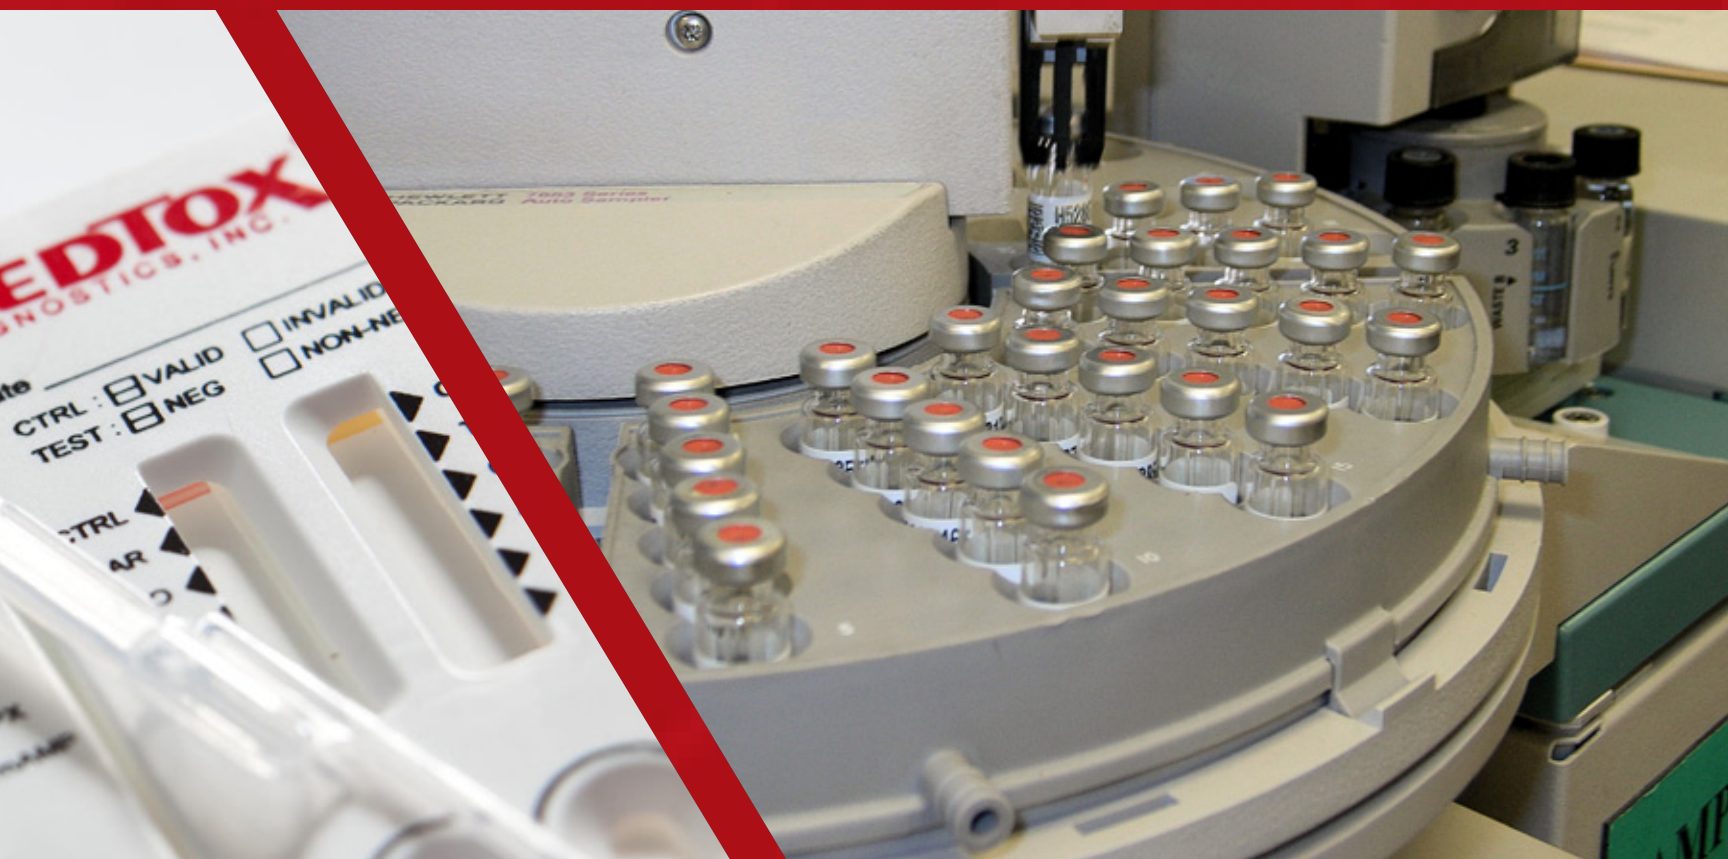

## UNMATCHED CUSTOMER SERVICE

- Live operators, not recordings
- Quick response time
- Live technical support
- Dedicated customer service team

## FAST, ACCURATE RESULTS

- Multiple test configuration panels available
- Single step simplicity
- Lowest detection levels

## CHOOSE A PROVEN LEADER

MEDTOX is building on a 25-year history of serving the criminal justice and rehabilitation market. We were the first SAMHSA lab to manufacture and distribute our own line of instant drug testing devices, and we continue to design tests that keep up with emerging trends.

*"I am spending 20% less money on drug testing with the use of SURE-SCREEN®. The offender admits and I am not spending a hefty dollar on lab confirms."*

Chief Probation Officer  
Pennsylvania

*"When push comes to shove, you look at cost, value, ease of access to get lab help and support, MEDTOX hit grand slams, and that's the truth."*

Probation Director  
Michigan

*"The quality of SURE-SCREEN® products has led to many bathroom confessions."*
