HEALING INTO CONSCIOUSNESS

A LIGHT-SPEED WAY TO HIGHER CONSCIOUSNESS WITH MADA DALIAN

"Mada" Dalian is a self-realized spiritual teacher and master healer. She brings a new approach to healing and spirituality by first identifying the root cause of pain, illness, and energetic blocks and then miraculously removing old imprints and programs from the body's cellular memory. Dalian reveals the stages of ego development and transformation, calling both the journey to awakening and awakening itself, "healing into consciousness." The resulting outcome; a quick restoration of physical, mental, and emotional health, as well as profound spiritual transformation. In tonight's presentation, you will experience a mini version of Mada's No-Yes Active Meditation technique which is ideal for releasing stress, building self-esteem, chakra clearing, strengthening the witness, and personal transformation. There will also be a live demonstration of the light-speed **Dalian Healing Method™ for Health and Consciousness**. For more information, see www.rahmgroup.org.
