

# **SUMMER STRING PROGRAM for JOURNEY SCHOOL**

## **Thursday Afternoons in August**

### ***3:30-4:30PM Beginners***

The new player will become familiar with the instrument and learn simple folk songs. The home coach (usually a parent, who may or may not play an instrument) is encouraged to attend with the player. In addition to an appropriately sized instrument, the players need a notebook. Students will memorize their songs. Daily short practices will reinforce the many precise skills needed to play successfully. LIMIT 10 COST \$25

### ***4:45-5:45PM Fiddling***

This group is an inclusive, non-performance group designed for players with or without reading skills. Players should be able to play simple songs. You can expect to learn a new fiddle tune each week. Guitars, Bohdrans, etc. and new songs will be welcome. Advanced technique is not required. Be prepared to move to the music. LIMIT 20 COST \$15

### ***6:00-7:00PM String Orchestra***

Players able to read simple music are invited to join a summer orchestra to play simple music in harmony. This is an appropriate time for a player familiar with violin to try viola or cello. Players must make arrangements for their own instruments. Music is chosen for a more relaxed summer schedule. LIMIT 20 COST \$15

### ***7:15-8:15 Chamber Music***

Intermediate to advanced players will be placed into small groups and assigned music appropriate for their group. The groups will be coached and will perform for each other. Players should be able to read fluently and play in several different keys. Third position is optional. LIMIT 10 COST \$25

**All groups will meet in the Journey School Music Room. Mail registration to:**
