## Join the Consumer/Youth/Family/Parent Leaders in the Monthly State Peer Certification Planning Call

A Stakeholder Planning Call for developing California Certification for people with “lived experience” of mental health challenges, youth, family members, and parent/caregivers as Mental Health Providers

**When: 4th Wednesday each Month, 12-1PM**

**New Dial-in Number: 1-866-633-8010, Code 1015102631**

**Dates: 8/22/12, 9/26/12, 10/24/12, 11/28/12**

### Why:

WWT has researched and written reports on existing Peer Certification Standards across the state and the nation, and has held five regional meetings to discuss current efforts, barriers, and next steps. These findings were released in 2011/2012. For year 2012/2013, WWT will hold one Statewide Summit with topic experts to review regional meeting findings and form recommendations for establishing statewide standards for California Consumer/Youth/Family/Parent Peer Certification.

Working Well Together (WWT) is a statewide project dedicated to supporting counties throughout California in their employment of consumers and family members within public mental health. WWT is a collaborative of the California Network of Mental Health Clients, NAMI California, United Advocates for Children and Families, and the CA Institute for Mental Health.
