Rev. Peter Richardson

assisted by Rev. Doris Hunter

Saturday, May 18, 9-2pm

This workshop will explore choices for a religious philosophy which addresses the human future. It will discuss common positions many adults hold based upon early childhood perceptions. The goal of the workshop will be increased clarity and articulation of one's own religious philosophy. Workshop is inspired by the book, *Journey Beyond God*, by workshop leader, Rev. Peter Richardson.

Rev. Peter Tufts Richardson has led workshops on previous books, *Four Spiritualities* and *Archetype of the Spirit* in 4 countries and 13 U.S. states. He is author of the UU sources statement, "Wisdom from the world's religions which inspires us in our ethical and spiritual life."
