

Wyoming School Foundation 5K FUN RUN

**SATURDAY
8:00 AM MARCH 9TH**

BEGINNING & ENDING @ WORTHINGTON & BEECH

The Wyoming School Foundation’s second annual 5K Fun Run was a huge success. Runners of all ages turned out in record numbers to support the Wyoming School Foundation’s Endowment. More than \$11,000 was raised! Over 350 runners started arriving at 7am on a chilly Saturday morning to check-in, get their bibs, and claim their starting position for the 8:00 am start. The course was the same as last year beginning and ending at Worthington and Beech and winding through the village area south of Wyoming Avenue. Most walkers and K-4th graders circled the course 1 time while everyone else circled the course twice.

Max Hoffman

Winners in each grade/age bracket received a 1st place medal. Congratulations to our fastest male and female winners! The overall male winner was Wyoming High School sophomore, Max Hoffman. Overall female winner was an eighth grader from Sycamore, Kamaria Walton. Winners were announced at the Wyoming Youth Services Pancake breakfast which was included with their registration.

Kamaria Walton

Many thanks go to Allison LeBuhn and Shelley Komrska, co-chairs of the event; Richard Hartke and Lee Hayner who were instrumental in getting sponsors and arranging the timing and mechanics of the race; race day volunteers who helped to make the event run flawlessly; the Wyoming Police for their assistance and Wyoming Youth Services for collaborating on the event. Also we want to thank our generous sponsors: Graeter’s, Ulmer & Berne, LLC, Wyoming Business Association, Penn Station, Denise Koesterman, Keller Williams Realty, BSN Sports, Inc, Sheldon-Reder CPA’s Inc, and WyomingOhioRentals.com.

This truly was a community event with entire families, teens, groups of friends and retirees participating. Even if the motivation to participate was pancakes and Graeter’s ice cream, we think everyone would agree that this event truly is a “Fun” Run.
