

SunSmart™ America
Richard David Kann Melanoma Foundation
2013 Melanoma Monday Art Contest - Be Sunsational!
Grades: 6-8

Draw the newest bottle, tube or packaging of sun block promoting SUN SAFETY.
Make sure your project has your name printed on it.

Be creative! Imagine that your company is going to put the newest and best sun block product in all the stores. You can design a bottle, tube or the packaging to attract people so you can have the best seller out there! Make sure your design will show how to protect people from the over exposure to the sun, and the risk we have of damaging our skin. Include some or all the “SunSmart Rules” and visit www.melanomafoundation.com for more education and resources.
