

ANDREW T. GRUBER, CSP, CFPS

Safety Consultant

Andy was hired by The Graham Company in 2001 to assume role of manufacturing loss control specialist and to provide general support to the Safety Services Department. He has 17 years of Safety and Loss Control experience.

Andy provides safety consulting services for manufacturing and warehouse/distribution clients. His technical expertise is in heavy manufacturing and warehousing. Andy is involved in The Graham Company Risk Management Assessment Surveys, Program Review & Development, Client Safety Training, Exposure Identification & Monitoring, Facility Inspections/Audits, Safety Committee Development/Oversight, Ergonomic Evaluations, Technical Resource – OSHA, DOT, NFPA, Loss Trending Analysis, and Coordination of Insurance Carrier Loss Control Services.

Andy is authorized to instruct the 10 and 30 Hour OSHA General Industry Outreach Programs and is affiliated with the American Society of Safety Engineers (ASSE) and the National Fire Protection Association (NFPA). Certified Safety Professional (CSP) status earned in July 2000 by the Board of Certified Safety Professionals (BCSP) and Certified Fire Protection Specialist (CFPS) earned in September 2004 by the Certified Fire Protection Specialist Board of the NFPA.

Prior work experience included roles as a Safety Coordinator in the aluminum extrusion industry and as a Safety Engineer for a large pharmaceutical company. Andy received his Bachelor of Science Degree in Occupational Safety & Hygiene Management from Millersville University. Andy has also completed several graduate level courses in Environmental Health, Safety Management and Training & Development.
