

WHY RAISE MONEY?

Big Brothers Big Sisters of the Ohio Valley facilitates one-to-one mentoring between adults and at-risk youth in both community and school-based settings. Our adult volunteers provide quality time to young people who do not have sufficient family support.

Children with Big Brothers and Big Sisters were found to be:

- 46% less likely to begin using illegal drugs
- 27% less likely to begin using alcohol
- 53% less likely to skip school
- 37% less likely to skip a class
- More confident of their performance in school work
- Less likely to hit someone
- More likely to get along better with their families
