

The City Neighbors Foundation proudly presents:

2nd Annual Progressive Ed Summit

Deborah Meier

"What I wanted was to create thoughtful citizens—people who believed they could live interesting lives and be productive and socially useful. So I tried to create a community of children and adults where the adults shared and respected the children's lives."

- **Deborah Meier**

Eleanor Duckworth

"Real learning, attentive, real learning, deep learning, is playful and frustrating and joyful and discouraging and exciting and sociable and private all the time, which is what makes it great."

- **Eleanor Duckworth**

Andres Alonso

"We have very, very consciously looked at the history of the district, looked at what has been done in the past, and we have very, very intentionally tried to do things in a very different way."

- **Dr. Andres Alonso**

Time to **Register!** Space is limited.

Join us for our guest speaker, keynote speakers, Q & A, and innovative workshops conducted by charter, traditional, private schools and more.
