- Establish an atmosphere of grace in which love grows to new exciting levels.

Reverends Bill & Penny Banuchi are the founders and directors of the Marriage & Family Savers Institute in Newburgh, NY. After 20 years of marriage and 8 years in the pastorate they found their marriage on the rocks about to become another divorce statistic. But instead of "giving up" they "gave it up" to God and made a choice to do whatever it would take to see God redeem their marriage and restore their family. Today they are sharing their story and professional insights to help save marriages restore families and see a cultural shift from easy divorce to marital success.

They will challenge you to move to a higher level with God to acquire His power and His love for a marriage that will bring fulfillment to you and glory to Him!
