

Fellow Scrapbookers,

Recently I learned about a friend's 8 year old granddaughter who suffered from a grand mal seizure on May 26th and has been in CHEO ever since. Having just returned from a holiday with my own precious granddaughter this news hit me very hard. Emily continues to have minor seizures and the doctors do not yet know why. She has had minor brain damage but is progressing better than expected. However, Emily will be in CHEO for a few more months and afterwards will require 24/7 care at home. Some of her medications are new and are not covered by OHIP. As you can imagine, expenses for Emily's family are ongoing as you take into account transportation to the city, meals and accommodations etc. I would really like to help alleviate some of the financial burden for this family, therefore have decided to put on a 12 hour crop with all proceeds going to Emily's family. Please note the following details for this fundraising crop, and if at all possible, please come.

Emily's Crop

SATURDAY NOV. 19th, 2011 from 9AM – 9PM

St. John's Elementary School gym, 34 Wilson St. E., Perth

Cost is \$40.00

A contribution to the pot-luck would be greatly appreciated
as we will be serving both lunch and supper.

Door prizes, vendors, Silent Auction, and Workshops throughout the day

**To register, please call
