

Introducing an Exciting Offer for Eden Alternative Registered Homes...

Three Exciting New Products Designed to Strengthen Your Culture Change Journey!

Want a pathway to share the Eden Alternative Philosophy more widely in your organization? Consider one or all of these powerful new products designed to power up your Eden Alternative journey. Each comprehensive training kit is designed for your Eden Educators, Mentors, or Certified Eden Associates to share within your organization. Try any one alone or use them together to frame a sequential growth process that creates inspired, highly collaborative teams! Each training kit is available to Eden Alternative Registered Homes individually or as part of our Trio Kit Package Deal.

Open the hearts and minds of everyone who lives and works within your organization with this compelling introduction to the power of the Eden Alternative's Ten Principles. This 4-hour learning experience is a meaningful, cost-effective way to welcome new employees to life in a person-directed care culture. Once hearts are opened, minds will follow!

Open Hearts, Open Minds Training Kit: \$499.00
Trio Kit Package Deal: \$1,495.00

Inspire, Elders, employees, and family members to actively embrace their role as care partners with this engaging one-day intensive. An 8-hour, interactive learning experience, *Care Partners* takes learning to the next level by demonstrating how to more deeply weave the Eden Alternative Philosophy and Principles into daily life within your home.

Care Partners Training Kit: \$599.00
Trio Kit Package Deal: \$1,495.00

Care Partners:
Putting Person-Directed
Values into Practice

Empower care partners to create effective care partner teams! This 4-hour workshop brings all members of the team together to identify and build on shared strengths, while fostering deeper relationships. Collaborative care partner teams are essential to creating a flexible and responsive person-directed organization.
