

Payment for Summer Camps is due at registration.

You can register in person, by phone with a credit card or by mail. If registering by mail, we will call to confirm receipt of your registration.

Refunds will not be issued; however, the camper may receive in-store credit as long as someone calls and lets us know the child will not attend. No-shows will not be credited. Please let us know as early as possible. Our camps tend to fill quickly, and we want to give everyone a chance to participate.

For each camp there is a minimum of 6 participants. If we do not have enough campers for a session, we will issue a full refund.

The camp fee includes all items needed to complete the project and instruction. We also will have snacks and a drink.

Art is messy, so dress appropriately.
