Program Information

Thursday, June 14, 2012 9:30 AM - 4:00PM

Boards are the nexus point of business, education and the workforce. The challenges are daunting.

The day will revolve around the role of the WIBs; the issues, the policy considerations and will allow time for discussion so all of us can learn.

NAWB has convened a group of WIBs that have begun to tackle the work & the metrics-of-success for WIBs. NAWB has also been involved with a number of others in establishing some guidance on Return on Investments (ROI), and we will share what we've learned.

Friday, June 15, 2012, 9:00 AM - 2:00PM

Today's focus is on workshops and issues on-the-ground. Preliminary topics include; a session on monitoring and finances, college completion initiatives, and the future of One-Stop career centers.
