On behalf of the Muslim community of Murrieta and Temecula Valley, and our Imam Mohamed Mabrouk ; we would like to thank the City of Temecula City Council, Planning Commission , all City Staff who demonstrated utmost professionalism and courtesy to all the people who participated in this process since 2007.

Also, we would like to thank Temecula Police Department, Riverside Sherriff, Temecula Unified School District Superintendent Tim Ritter, Murrieta School District Superintendent Pat Kelley, our fellow citizens of Murrieta and Temecula Valley who participated in the Ground breaking and appreciation banquet for their support. They are the true voice of our community, the voice of tolerance, mutual respect and equal opportunity for all. We hope for those who have misunderstanding of our religion and our people to get more education and interaction with the true teaching of Islam and Muslims and reject bigotry and stereotypes.

We would like to thank our friends in the Interfaith Council of Murrieta and Temecula Valley for their leadership in this issue of religious tolerance and mutual respect among people of different faiths. Together we can bring more harmony and peace in our community. We thank all other organizations who came to stand with us for this noble cause, namely: the Progressive Jewish Alliance of Los Angeles (PJA). Also, I would like to thank Islamic Shura Council of Southern California, and Council of American Relations (CAIR) LA Region for their support!

Please visit us whenever you can and let us share the blessing of Allah for being American neighbors and friends in this valley

Hadi Nael,
