### Sani Safe® Cutlery

The widest line of sanitary, NSF Certified, professional cutlery in the world. Quality, stain-free, high-carbon steel blades with super sharp edges are hand-ground and honed. High-impact "Grip-Tex" handles are made of textured and formed polypropylene for slip-resistant grip, safety and tough use. An impervious seal of blade and handle provides the utmost sanitary qualifications and prevents the blade from pulling out. Handles will withstand high and low temperatures and are easily cleaned. They have the same weight and balance as wood handle knives. NSF.
