

Introducing.....
Graduating Class of 2012
KBFC University Scholars

As KBFC scholars, these young people will carry with them a vision to expand opportunities for themselves and for their families. And in keeping SC scholarship requirements and tradition, they will pass-on their knowledge, skills, and experiences through community service.

All of us see the leadership and commitment of these scholars and know they will continue to grow as vital voices in their communities. Their successes belong to you too! Thank you for invaluable part in supporting KBFC University Scholars.

Long Vannak plans to study Agriculture at the University of Management and Economics (UME) in the town of Pursat.

Student Quote: “If I get the scholarship from SC, I can help my family and my country to constantly improve the productivity of farming with my knowledge of Agronomy when I graduate”.

Teacher Quote: “Long Vannak is my student. He is always polite, kind and hard-working in my English class. He is a very active student. With the scholarship from SC, I am sure that he will have a wonderful future with his career. Now he wishes to continue his study at the university with Agriculture”.

English Teacher, Sean Sovannarath

Chhin Chanthrea plans to study Agronomy at the University of Battambang in the town of Battambang.

Student Quote: “I love agriculture and I want to be an agronomist so that I can help my community develop their agricultural products in the future. Agriculture is our life!”

Teacher Quote: “Chhin Chanthrea has learned English in my class for a long time. She is polite, active, kind, working hard, and she is so friendly in the class to help other students. Her English is getting better from day to day. I believe that she will have a wonderful life in the future. To get her dream, she wants to study Agronomy at the university with the SC’s scholarship program.”

English Teacher, Sean Sovannarath

Leng Saolin plans to study Veterinary Science at the University of Battambang in the town of Battambang.

Student Quote: “Being a good vet is always my dream. I hope that my dream is not too big with the support from SC. I won’t let any animals in my community die because of the protectable and curable diseases!”

Teacher Quote: “Leng Saolin is a great student in my English class. During the class, I notice that she likes learning English so much. She always pays her attention to my explanation, is very active in the class and helps her classmates with homework. She like reading biology book in English in her free time. She loves to study veterinary science at the university because she wants to help her community raise the animal effectively “.

English Teacher, Hor Nareth

Noun Usphea plans to study Civil Engineering at Prah Kosomak University in Phnom Penh.

Student Quote: “Cambodia is a developing country and its infrastructure and buildings are still poor comparing to other countries, so I can help my country with my knowledge and skills of civil engineering when I graduate”.

Teacher Quote: “Noun Usphea is a very active student in my English class. He is so kind, friendly to everyone and has strong commitment to go to school. He wants to study civil engineering at the university”.

English Teacher, Hor Nareth

Kim Sreyrov plans to study Agriculture at the University of Management and Economics (UME) in the town of Pursat.

Student Quote: “Most of us Cambodian people are farmers but we sometimes can’t produce enough food for our family to eat for the whole year. Agricultural skills are the solutions to this”.

Teacher Quote: “Kim Sreyrov is a generous student that has high commitment in my English class. She never comes late or makes noise in the class. She paid his attention to me all the time during the lesson. I saw that she is an absolutely hard-working student. Now she passed the exam and he wants to study Agriculture at the university”.

English Teacher, Sean Sovannarath

Kim Thary plans to study Law at Prah Kosomak University in Phnom Penh.

Student Quote: “I love law because I think it is very important for us to live peacefully but most of Cambodian people don’t understand well about law especially about their Rights. In the court, the poor are usually the victims and that’s not right”.

Teacher Quote: “Kim Thary is a wonderful student in my English class. He loves talking about human rights with me his friends during the break time. He hates corruption so much and he loves helping people. I think he is going to be a good lawyer in the future”.

English Teacher, Hor Nareth

Soy Sokhom plans to study Agronomy at Angkor Khemara University in Pursat town.

Student Quote: “Growing vegetables and planting fruit trees and rice are my favorite activities. Through this I have found that being skillful in agriculture is very important for all farmers”.

Teacher Quote: “Soy Sokhom is a student in my 11:00 – 12:00 class. She is a great and active student in the class. She always learns so hard and she joined many activities to develop the school campus. Now she got a good grade from Grade 12 exam. She wants to continue her study at university with Agronomy”.

English Teacher, Hor Nareth

Phall Vanny plans to study Law at the University of Management and Economics (UME) in the town of Pursat.

Student Quote: “People should be equal for their Rights whether they are rich or poor but many Cambodian people are still suffering for the loss of their land to the powerful people”.

Teacher Quote: “Phall Vanny has learned English with me for a long time. He is very kind, active, honest and helpful. His English is very good and everyone loves him. His communication skill is very good. He likes debating about Rights in Cambodia with his friends. He has a dream of being a lawyer when he finishes grade 12”.

English Teacher, Hor Nareth

In Soksan plans to study Agronomy at Angkor Khemara University in Purat town.

Student Quote: “We have a lake full of fish but we don’t know how to fish! We have good soil for farming but most of our farmers don’t know how to use that soil and we just follow our traditional ways of farming often resulting in a lack of food”.

Teacher Quote: “In Soksan is a hard-working student at both KBFC and the state school. She always attends my English class regularly and she helps her classmates solve the problems they had. She passed the exam with good grade. She wants to study Agronomy at the university”.

English Teacher, Hor Nareth

Vann Rathanak plans to study Civil Engineering at Prah Kosomak University in Phnom Penh.

Student Quote: “Build, build until Cambodia is full of good buildings! I love building things like roads, bridges, schools, homes and high buildings. With SC scholarship, I can make my dream become real”.

Teacher Quote: “Vann Rathanak is one of the best students in my English class. He is very friendly and socialized. He makes friends easily. He always practices speaking English with his friends and with the teachers here. His English is improving from day to day. He dreams to be a good engineer when he graduates”.

English Teacher, Hor Nareth

Chhin Chanraksmei plans to study Electronic Engineering at Build Bright University in Battambang.

Student Quote: “Electricity is one of the main sources to develop Cambodia. When we have power, everything will be possible and then life will be improved. I am awaiting that day”.

Teacher Quote: “Chhin Chanraksmei is a student in my Pre-Intermediate class. She is very punctual and active for her study. She always does well in all tests I provided to her. She is kind, friendly and creative. She often shares her ideas with her friends about the ways to improve their English. Her dream job is to be a good Electronic Engineer when she graduates”.

English Teacher, Hor Nareth

Khat Chansombo plans to study Law at Build Bright University in Seim Reap, the city of temples.

Student Quote: “My dream is to be a good lawyer so that I can help the poor in my country. Law is fair to everyone but people especially the lawyers don’t put law into actions fairly”.

Teacher Quote: “Khat Chansombo is my English student in my evening class and also a good youth in my village. He is very generous, helpful, friendly, active and hard-working. His English is very good especially speaking skill. He loves speaking in English in the school campus. He loves helping everyone in the village. He always dreams to have a chance to study law at university when he finishes grade 12”.

English Teacher, Hor Nareth

Phoeurn Navoth plans to study Agronomy at the University of Battambang in Battambang.

Student Quote: “I was born in a farmer’s family but I don’t know much about farming. In my community, everyone depends on growing vegetables and planting rice and fruit trees to make a living, so agriculture is very important for all of us”.

Teacher Quote: “My student’s name is Phoeurn Navoth. She always comes to study on time and regularly. She is very hard-working, brave and active in the class. This proves that she will have a bright future ahead of her. She often tells me about her dream of being a good agronomist during her presentation in the class”.

English Teacher, Sean Sovannarath

Moung Channa plans to study Agronomy at Angkor Khemara University in Pursat town.

Student Quote: “I have participated in some training on farming and vegetable growing in my village with other farmers and I know that most of the farmers in my community face many challenges with their farming. I hope that I can help when I finish my university in Agronomy”.

Teacher Quote: “Moung Channa is my clever student in my English class in the afternoon. She often asks me a lot of questions during the lesson. She is very brave and friendly and her English is very good in both writing and speaking. Her dream is to help the farmers in her village improve their lives by growing rice, fruit trees and vegetables throughout the year”.

English Teacher, Sean Sovannarath

Tum Chantoeun plans to study Agronomy at the University of Management and Economics (UME) in the town of Pursat.

Student Quote: “Agriculture is very important for developing countries like Cambodia. More 85% of Cambodian people are farmers depending on growing rice, vegetables, fruit trees and other agricultural products to make a living”.

Teacher Quote: “Tum Chantoeun is one of my students who has high commitment to reach his goal of study. He is brave, generous, active and friendly. All of his friends love him so much. They are often happy when they are with him. His English is good and he can speak and write good English. A part from his study, he likes planting fruit trees in his farm. He want to improve his skills with Agronomy at the university”.

English Teacher, Sean Sovannarath

Non Synan plans to study Computer Science at the University of Asia Europe in Phnom Penh.

Student Quote: “I love technology. With technology, our world is improving a lot. We can work faster and more effectively with technology. Cambodia will be full of technology in the future and everyone has to know how to use computer”.

Teacher Quote: “Non Synan is my computer student in my evening class. She is very clever and active. She always comes to practice her computer skills in her free time and asks a lot of good questions. She understands the lesson very quickly and I notice that she has a talent of using computer. She will have great future with her career with technology after she graduates”.

Computer Trainer, Douk Chhean

Oeun Sophea plans to study Computer Science at the University of Asia Europe in Phnom Penh.

Student Quote: “I love using computer. I think computer is important for everyone in the world. Without computers, every business will have a big problem. I hope I can help my country to be more developed with the skills I learn at university”.

Teacher Quote: “Oeun Sophea has learnt computer with for less than 6 months but her computer skills have improve a lot, from typing skills to Microsoft Office. She is very active and hard-working. She always comes to class early to practice the lesson. She loves technology so much and she wants to study Computer Science at the university”.

Computer Trainer, Douk Chhean

Rin Ratha plans to study Computer Science at the University of Asia Europe in Phnom Penh.

Student Quote: “We all know that our world has changed a lot with technology and we need to know how to use technology like computer and Internet to develop our country faster”.

Teacher Quote: “Rin Ratha is my computer student in the morning class. She is very good at learning computer. She could remember most of the lesson she learnt. She is also good at Math. She always comes to class with confidence. She will have a great future with a job with technology after she graduates”.

Computer Trainer, Douk Chhean

Houy Lon plans to study Law at Mekong University in Phnom Penh.

Student Quote: “People should be treated fairly with the law. I want to study law because I want to help Cambodian people. Most of Cambodian people don’t know about their Rights and are often vulnerable when they face with the rich in court”.

Teacher Quote: “Houy Lon is my English student from 5 to 6 in the evening. He is very active, smart, brave and friendly. He loves providing news ideas about human Rights. He often does the research about the Human Rights in the Internet in his free time. His dream is to be a good a lawyer in the future when he graduates from his university”.

English Teacher, Hor Nareth
