

# LIVING LIFE - FULLY, FEARLESSLY, AND “IN LOVE”

*“Every human being senses an inner longing that goes deeper than the longings for emotional and creative fulfillment. This longing comes from sensing that another, more fulfilling state of consciousness and a larger capacity to experience life must exist.”*

In response to a desire expressed by a number of people for an in-depth study of the Pathwork, I am offering a 10-month course in the teachings of the Guide.

This opportunity for conceptual and experiential exploration will lead participants to a deep understanding - discovering and embracing who they truly are. The Guide tells us that this is a necessary prerequisite to connecting with the Divine, and creating rich, joyful, and love-filled lives.

On our journey, we will be guided by the wisdom of the Pathwork offered in “The Undefended Self” by Susan Thesenga, as well as a number of Pathwork Lectures.

Our process will be enriched by Core Exercises, Breathwork, Meditation, and various other practices and modalities.

It is with great excitement that I am offering this course. I have been studying the Pathwork since 1982, and want to bring, to those present, my deep understanding and appreciation of the lecture material. The wisdom of the Guide never ceases to amaze me - inviting me to live in more trust, peace, and joy than I ever imagined possible. I hope you will join me.
