

PICTURE OUR PARKS

Your Voices. Our Future.

The **Arlington Parks and Recreation Department** believes that parks, recreational opportunities, and open spaces provide a foundation for the physical, social, economic and environmental viability and well-being of the community. We recognize that **your input** and **your ideas** are vital to providing exceptional park and recreation opportunities for our growing community.

Your attendance is requested at one of five public meetings. Your feedback will help us to identify community preferences and priorities as we update the City's Park Recreation and Open Space (PROS) Plan. We will use an Open House format that will allow you to visit stations to discuss service delivery options for:

- **Recreation and Aquatic Centers**
- **Trails and Greenways**
- **Recreation Trends** (dog parks, skateboard facilities, community gardens, etc.)
- **Park Development** (athletic fields, picnic areas, playgrounds, tennis and basketball courts, etc.)
- **Natural Areas and the Environment**
- **Forestry and Beautification**

Please mark your calendar to attend the meeting scheduled in your area (coinciding with the City's five geographic City Council districts).

At each meeting a short overview presentation will be held at 6:30 p.m. with an open house before and after the presentation. If you have questions, please contact the project coordinator at: prosplan@arlingtontx.gov or call (817) 459-5474.

Let your voice help shape Arlington's future!
