

The Aurora Center for Life Skills (ACLS) program
is pleased to announce a **FREE** seminar

Developmental Disability vs. Mental Illness *Differences in Symptom Presentation.*

This program is designed to inform community centered board members, service providers, and families in differences in presentation of symptoms of a developmental disability and a mental illness.

This seminar includes:

- Developmental disability versus mental illness
- Defining developmental disability and mental illness
- How behavioral symptoms of a developmental disability mimic some mental illnesses
- Management of symptoms and treatment of a developmental disability and a mental illness

Thursday May 9th, 2013

8:00am – 12:00pm

Registration: 8:00-8:30 / Presentation: 8:30 am – 12:00pm

Presenters will be available afterwards for Q & A
